

Borough of New Stanton
Borough Council
February 7, 2017
Minutes of Public Hearing

1. Call to Order

President Scott Sistek called the meeting to order at 7:00 PM and took roll. Those in attendance were:

Council members: Todd Bartlow, Dean Clark, Linda Echard, Scott Sistek, Tom Smith, Tom Theis. Others: Borough Engineer Emil Bove, Borough Solicitor John Campfield, and Borough Manager Jeffrey McLaughlin.

2. Presentation of Documents

Scott asked John Campfield to review the documents. John pointed out that he had a copy of the legal ads that ran in the Tribune Review from January 24th and 31st, 2017 which comports with the requirements of the Municipal Planning Code. A copy of the comprehensive plan was also sent to the surrounding municipalities, the school district, and the county planning department by the consultant, Mackin Engineering. An affidavit to that affect will be submitted for the file. John asked if the borough's planning commission had submitted anything. Jeff pointed out that there is a letter in the agenda packet from the planning commission stating that they would like to see reference to the fire department in the plan. John said that this document should be included hearing file.

3. Public Comment

Scott asked if there was any comment from those in the audience. Jim Evans, who sits on the Planning Commission, asked if a reference to the fire department would make it into the plan. John stated that the purpose of this meeting was to gather public input and comment on the plan. Council could discuss an amendment adding the fire department, but that would take place at a regular meeting. The February regular meeting was scheduled to begin immediately after the conclusion of the hearing.

Scott asked if there were any other comments. There were none.

4. Adjournment

Being no other comments Scott stated that the public hearing was adjourned at 6:18 PM.
